TBI welcomes Howard Reich to discuss his new book *The Art of Inventing Hope: Intimate Conversations with Elie Wiesel*.

The Art of Inventing Hope offers an unprecedented, in-depth conversation between the world's most revered Holocaust survivor, Elie Wiesel, and a son of survivors, Howard Reich. During the last four years of Wiesel's life, he met frequently with Reich in New York, Chicago and Florida—and spoke often on the phone—to discuss the subject that linked them: both Wiesel and Reich's father, Robert Reich, were liberated from Buchenwald death camp on April 11, 1945.

Howard Reich will be joining us at TBI on **Sunday, May 19, 2019** at **10:00am** to share his thoughts and engage in a book discussion.
