PURIM SHPIEL!

Don't Miss The Fun!

John Wayne reprises his bad guy role as Haman, the man who is stopped by a brave woman!

"No way I will recuse myself from this performance." —Jeff Sessions

again!"

**AN EPIC
PURIM
WESTERN**

Purim historically includes a Shpiel (play). Our Shpiel is a farcical review and includes the Purim story and current happenings. (Guess which is the farce.) Spend an evening with friends, a fried chicken and Italian beef dinner and if you have no excuse, the Shpiel. No tickets at the door. Space is as limited as the Chicago mayoral race; so be sure to send your check today!

WE NEED ANGELS

We REALLY need your support for this production or else the cast will sell the script to Shpielberg Spielberg. Please become a proud investor of this production with a check for \$60 as a Golem or \$110 as an Angel. Golems and Angels get free tickets.
