FROM THE PRESIDENT

REMEMBER TO BE KIND

Several years ago, Emily Parker, a student from Simpson College in Des Moines, Iowa wrote powerful and meaningful words regarding the importance of showing humility and grace to others. As her words mean a great deal to me, I have chosen, in this month’s bulletin article, to share them with my TBI community.

Showing humility, grace and kindness in an often dark and selfish world is of the utmost importance.

Nothing compares to the deep joy I feel when I witness someone performing a random act of kindness. In a time when negativity dominates the news and people tend to be self-serving, I genuinely appreciate the good in people and remember that light still shines in this often-black world.

Too often people do not put enough effort into treating others how they ought to. What might seem as an insignificant gesture to you might make someone else’s day. It truly feels amazing to be another person’s smile to my face.

There are many ways we can brighten the days of others, whether it’s by paying a well-deserved compliment or showing some compassion. An act as simple as someone opening a door for another person brings a smile to my face.

Once people begin to notice acts of genuine kindness around them, it sparks a trend. Witnessing such instances makes us happy, inspiring us to evoke that feeling in others.

Too many people abide through life demanding something from the world. In reality the world does not owe them anything. We all have a responsibility to make positive contributions to the world around us, and honesty the kindness you put out comes right back at you. Taking a minute out of your busy day to do something for someone else yields so much more.

It is easy to judge someone based on a simple misunderstanding. But the truth is, you may not know what someone is going through. I always regret prematurely judging someone. I know that I am not going to get along with everyone I meet, but I try my best to get to know someone before I decide how I feel about them.

I am grateful for all the people in this world who spend time spreading kindness and shining a little light on those around them.

My hope is after you read these words you will be reminded to be cognizant of how to treat others on any given day. What if we all made it our personal goal to show light to others daily?

On behalf of the Temple Beth Israel Board of Trustees and my family, I wish to thank our entire congregation L’Shannah Tovah. May you and yours have a healthy and prosperous New Year.

In kindness,
Helene Levine
President, TBI

BOOK OF REMEMBRANCE

“Rabbi Shimonal taught: There are three crowns: the crown of Torah, the crown of the Priesthood, and the crown of the Monarchy. But the crown of a good name exceeds them all.” (Mishnah Avot 4:13)

We remember those whom we have loved and lost by mentioning their names and recalling the acts of goodness they performed while they still lived among us. When we publish their names in our annual Book of Remembrance, we pay loving tribute to the reputation that their “good name” has earned, and thus ensuring that their memories will continue to abide among us as an inspiration and a blessing. Consider submitting your loved one’s name for this year’s 2019-2020 Book of Remembrance.

**THE GREEN TEAM IS BACK!**

The Social Action Council is pleased to announce that the Green Team, TBI's environmental awareness program, is back in action! As a team, we will be introducing new initiatives, revising the recycling program, and exploring other ways for our building to be more responsible in our disposal of waste and energy use. The team's kick-off project is a pilot study to assess the viability of a Waste Reduction program in our building. Waste reduction means decreasing the amount of waste being generated through waste prevention, recycling, composting, and purchasing recycled and environmentally preferable products. The Green Team is working with Collective Resource, a local company that does industrial composting, and they will train us in how to dispose of food scraps and compostable plates, cups, and cutlery. The pilot study will take place during four upcoming events: Likrat Shabbat on 9/19/19, the Opening Day Brotherhood picnic on 9/20/19, and Pizza in the Hut (the TBI Erev Sukkot celebration) on 10/13/19. Look for our display at each of these events for more information about Waste Reduction and instructions on how to properly dispose of food and related items so they can be sent out for composting.

The Green Team is being chaired by Ilene Klegon and currently has seven members. The team is actively seeking additional members, and anyone interested in these issues is encouraged to join and attend the next meeting on Tuesday, September 10, 2019 at 7:15 pm at Temple Beth Israel.

Watch future bulletins for updates, articles of interest, and suggestions for greening our building and our homes.

B’RUCHI M HABA’IM - WELCOME! JOINING THE TBI FAMILY

Our coverage of new Temple Beth Israel members continues. We’re delighted to welcome the following TBI household who have discovered just how friendly, supportive, and inclusive our community is. As it begins its second century, TBI offers a vibrant and welcoming presence in Skokie, the North Shore, and beyond.

Ellen Wein • Chicago, IL
Following 30+ years as a Chicago Public School teacher, Ellen now finds herself with discretionary time and is currently identifying ways to stay busy as she maps out a retirement lifestyle. Just recently, she decided it was time to join a synagogue and chose Temple Beth Israel.

First Impressions: “TBI was an excellent choice for me. It’s a friendly, welcoming congregation with a very active Sisterhood offering diverse programs. I have found a spiritual home and a fun and friendly place to call home.” Ellen adds that she is delighted to be part of such a vibrant and supportive community.

Getting to Know You: One of the aspects of Temple life that may have influenced Ellen’s decision to join TBI is its very active mah jongg presence. She thoroughly enjoyed playing high stakes mah jongg at the end of July and getting better acquainted with the ladies. In her free time, Ellen enjoys reading and taking casual walks along Lake Michigan.

**HELP US GET IT RIGHT!**

Please help us recognize your upcoming simcha correctly in the Bulletin. If you are planning a bar or bat mitzvah, aufruf, baby naming or other event, please let us know exactly how you want your names to be listed. Without prior notification, the Bulletin will list names as they appear in our official TBI records. Please email BulletinTBISkokie.org with your information.
