

**Lunch N' Learn \***  
**April 2021**

## **Fact and Fiction: Understanding the COVID-19 Vaccine with Dr. Linda Baum, Immunologist and Professor**

Join this discussion for the April Lunch N' Learn with Dr. Linda Baum (TBI Member) to understand the science of this vaccine and the next steps you should follow to continue to stay safe.

Dr. Baum will have a short presentation and leave time for your questions.

**Wednesday, April 21**  
**12:00PM**  
**On Zoom**

Dr. Baum is Emeritus Professor, Department of Internal Medicine, Section of Infectious Diseases, Rush University Medical Center, Chicago IL.

She taught Immunology to Medical Students, Directed Ph.D. and M.S. students, mentored research of medical students, residents and fellows. Her major research interests were studies of the immune response to HIV in the female genital tract. For a number of years, she was the Co-Director of the Chicago Center for AIDS Research, an NIH funded collaborative effort between Rush, UIC and Stroger. She also directed the biomedical sciences Ph.D. program at Rush from 2015-2018.
