

Sisterhood TBI is sponsoring a
DIAPER DRIVE!

Bundled Blessings diaper pantry is an outreach program of First United Methodist Church of Evanston. They supply diapers to families in our surrounding communities – up to 20,000 diapers each month!

Disposable Diapers are a costly necessity for families with small children. Most childcare centers require parents to provide disposable diapers. Federal programs SNAP, Link Card/Food Stamps and WIC do not cover the cost of diapers.

Due to the pandemic, drop-off locations for Bundle Blessings are temporarily closed and they are relying on local groups to support them, and those families in need, by collecting diapers through **Diaper Drives and/or making cash donations.**

October 3rd through October 24th

Diapers can be dropped off at TBI in the collection box inside the main double doors during regular TBI business hours. You can ring the bell at the north door, enter (with mask), and after dropping your package(s) in the box, exit the building.

ALL SIZES including pull-ups
(partial & opened packages are welcome)

If you prefer, you can order TBI Scrip gift cards to donate.
Contact Allison Tesnar (773-339-7556) for more information about Scrip.
Donated Scrip gift cards for stores selling diapers will be kept in the TBI office.

To donate directly, or for more information about Bundled Blessings, go to their website at:
