

**Sisterhood and Brotherhood TBI
present a virtual program**

**“CYBER SECURITY - PROTECT AND DEFEND”
with
Randy Mohrbacher
Manager, Business Advisory Services, RubinBrown™**

Tuesday, December 7, 2021 – 7:00 p.m.

***Help! I think my computer (or phone) has a virus!
Now what do I do?***

Randy Mohrbacher, a cyber security expert who brings more than three decades of experience to IT engagements in a wide range of industries, will explain how to avoid viruses and what to do if attacked by one. What is anti-virus protection? How do I manage my passwords? For answers to these and other important cyber security-related questions, please register for this program via the Zoom link or scan the QR code.
