

# SHABBAT MISHPACHA

## Family Services

**JANUARY 13**

Enjoy Shabbat dinner and a lively service geared towards children and their families, that will be meaningful for both children and adults. You can expect to be led in joyful prayer enhanced by our Youth Ensemble (grades 3+), accompanied by the guitar. Each month on first Fridays, we will listen to a folk story, celebrate the month's birthdays, and offer the Shabbat family blessings to one another. Following the service, stay for the oneg, including yummy desserts and a fun project or activity for kids and adults.
