

SHABBAT MISHPACHA

Family Services

April 7

Enjoy a kosher for Passover Shabbat dinner and a lively service geared towards children and their families, that will be meaningful for both children and adults. You can expect to be led in joyful prayer enhanced by our Youth Ensemble (grades 3+), accompanied by the guitar. Each month on first Fridays, we will listen to a folk story, celebrate the month's birthdays, and offer the Shabbat family blessings to one another. Following the service, stay for the oneg, including yummy kosher for Passover desserts and a fun project or activity for kids.
